Dear Gareth,

As you are aware, Waiora Community Trust leases Waiora House from Taupō District Council. The current lease expires 31/12/17. The Trust would like to express interest in continuing the lease after the expiry.

The Trust is preparing new leases for the in-house tenants beginning 01 January 2017. Normally leases are a four year term. May we kindly ask Council to allow Waiora Community Trust another 4 years so we may assign the same lease term beginning 01 January 2017.

If you would inform the Trust as soon as possible, it would be most appreciated.

Thank you.

Yours Faithfully,

Deb DePetris
