

# OTUMUHEKE STREAM ECOLOGICAL AND CULTURAL ENHANCEMENT PROJECT

## SITE WALK THROUGH 1

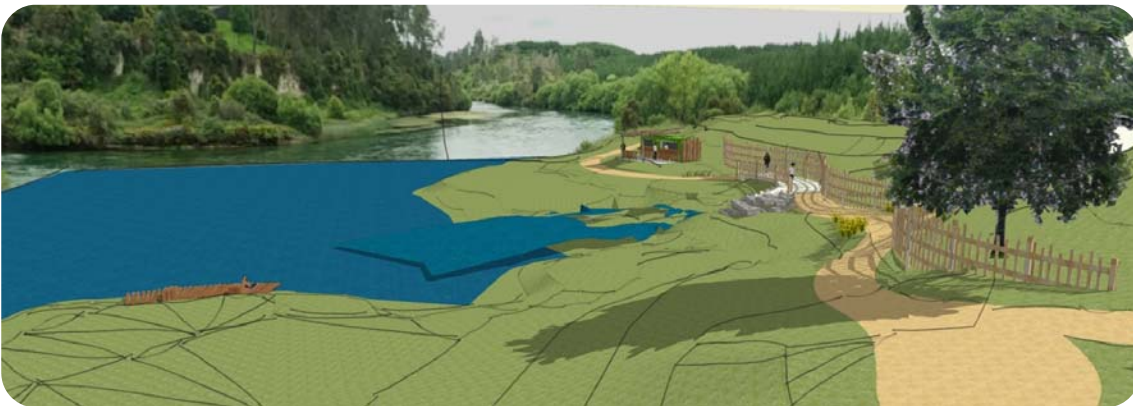

**View looking North** over the proposed toilet changing block and viewing platform with the coffee kiosk in the distance

**View of the proposed toilet changing block**

Note the feet and heads will be visible to those outside to increase the sense of safety for users

**View of track leading down to the new bridge**

Note the bridge has been moved up the stream to open up the best bathing area, also the new palisade fence
