

To whom it may concern

I am writing to you to request a hearing at the next F.R.R.E.D. committee meeting on the 23<sup>rd</sup> May 2017.

Since we took over the Saturday Market we wanted to adjust our 'Lease to occupy' to reflect our current situation and location. We were assured on several occasions that this would not be a problem, since this site was specifically build to accommodate a town market.

The Taupo Market has now grown so much.

To ensure future growth we have planned investments in signage, marketing and hardware (tables, chairs, storage). This investment can only be justified with the security of a realistic contract.

I understand that the F.R.R.E.D committee is the one who makes the decisions in this respect.

Over the last 22 month I have talked to many T.D.C. employees and councilors without affecting tangible, lasting results.

Points of discussion:

- amendment of the site-plan
- correction of the name 'Riverside Market' to 'Taupo Market'
- correction of the owner to 'Taupo Market Ltd'

the last 2 points may only be cosmetic - I was assured that this would be tabled at the 'next' meeting in August 2016, but corrections were never made.

Other points that I would like to put to the group is

- ongoing site care
- site maintenance
- cleaning and upkeep of site and buildings
- the pressure being applied so other events get priority

I will provide details if required.

I am looking forward to hearing from you
