HAPU LETTER OF SUPPORT TO TAUPO CITY COUNCIL: Setting up a Food Trailer in the car park of the Tokaanu Hot pools

(proposed site from Hotpools and Taupo District Council on map attached)

Taupo District Council are meeting on the 22nd May 18. On the agenda is a discussion to allow T&T Pataka -catering to operate in the car park of the Tokaanu Hot pools.

Having a letter of support from the local hapu would be appreciated

- TDC will get Keys Valuers in Taupo to assess the car park to work out what the commercial market Rental should be (i.e. the annual rent)
- All licences required to operate a mobile food cart have been forwarded to the TDC

HOTPOOLS CONCERNS

The money made from our coffee machine has always been used to fund projects (example money used to pay for a Defib and training \$3,000) this has been purchased and installed. We are looking into other specialized first aid equipment and aids, Wheel chair, floating back boards anything to support our customers. **What is this operator offering**

Other concerns

- How many other sites has this operator applied for
 - Hours of operation 10 am to 10pm 7 days a week as this is when the pools are open or is it just a weekend holiday business
 - How many trailer units do they own as it looks like a company
 - Toilets , rubbish, water
1. It is important to us that we work with the hapu and discuss how we can give back to the community Eg. Employment opportunities
 2. We have only applied for this site, no others were considered
 3. Hours of operation is yet to be confirmed and discussed with pool management but will be 7 days a week
 4. Yes we are a company but we only intend on having one trailer unit at the pools. We have a smaller unit but this will be in storage over winter and used in summer.
 5. Rubbish and water is mentioned in our environmental plan
 6. Toilets are not a requirement for mobile food caterers

Details of our plan follows:

FOOD TRAILER: Built in New Zealand in October 2017. (photos attached)

- Full electrical warranty until 2021.
- Gas connection certified.
- Registered under Chur Bro Churros Ltd to be transferred to new company.
- Current WOF.
- The trailer measures 3.5 metres in length inclusive of the tow bar. 2.2 metres in width 3.1 metres in height. Inspected and passed by Wellington City Council.
- Trailer is alarmed.
- Two sinks 1- Washing hands 2 – Washing dishes
- Two built in water tanks for fresh water and waste water
