6.1 RENEWAL OF LICENCE TO OCCUPY FOR STEAMING BEAN LIMITED ON LAKEFRONT RESERVE

The Parks Operations Manager summarised the report and answered questions of clarification from the Committee. The following points were noted:

- Officers would undertake a rent review to ensure the Steaming Bean licence to occupy (LTO) was in line with current market rates.
- There had been no significant issues with the Steaming Bean caravan being parked on the Lakefront Reserve overnight, and the safety risks of the caravan being backed out on to the road each day were higher than it remaining at the site overnight.
- There were a number of LTOs in the Taupō town that were allocated through the reserve management plan, with the ability to renew every five years. Members requested the number of licences (currently 13); their location; duration; and renewal processes be considered at the next review of the Taupuaeharuru Bay Lakeshore Reserves Management Plan.

TRARC202305/03 RESOLUTION

Moved: Cr Kevin Taylor

Seconded: Cr Christine Rankin

That the Taupō Reserves and Roding Committee approves Steaming Bean Limited’s five-year Licence to Occupy renewal for the Lakefront Recreation Reserve, as identified in the report attached to the agenda.
