3 CONFIRMATION OF MINUTES**3.1 MANGAKINO/POUAKANI REPRESENTATIVE GROUP MEETING - 15 FEBRUARY 2022**

The minutes were amended as follows:

- Item 4.4 Community Issues: correct spelling – Karori Crescent should be “Kōrari Crescent”.
- Item 4.5 Members’ Reports: correct reference - “Mangakino Rangatira community group” should be “Mangakino Orangatanga community group”.

MP202204/03 RESOLUTION

Moved: Mr Whitu Karauna

Seconded: Cr Kirsty Trueman

That the minutes of the Mangakino/Pouakani Representative Group meeting held on Tuesday 15 February 2022 be confirmed as a true and correct record, as amended.

CARRIED**4 REPORTS****4.1 NEW MANGAKINO SCHOOL PRINCIPAL**

Item **withdrawn**.

4.2 MANGAKINO/POUAKANI COMMUNITY GRANTS 2021/2022

The following people addressed the Mangakino/Pouakani Representative Group in support of applications for funding:

4 – Mangakino Central Charitable Trust – Ms Marlene Johnson

Ms Johnson clarified the following for the members:

- Funding request for wages is for a coordinator. There are currently two employees plus volunteers and funding is provided by NZ post for a postie.
- There are two shops next to each other because the stock would not fit into one premise.

6 – Mangakino Orangatanga – Mr Whitu Karauna and Ms Dianne Apene

Ms Apene clarified the following for the members:

- The current donations of kai have been from within the ropu, no wider community messages have gone out on social media because it has not been needed.
- The funding requested for smaller home gardens is so that kaumatua are self-sufficient and able to provide for themselves.

The Chair confirmed that Mangakino Orangatanga would be eligible for funding for COVID-19 support via Te Arawa Whanau Ora and the Lakes DHB.

Cr Yvonne Westerman joined the meeting at this point (10.27am).

A member confirmed that the marae is still a registered food bank for the community so they could access meat from there.

10 – Whakamaru School tamariki – Ms Leanda Moor and two students

Ms Moor confirmed that they will also fundraise in and around the local community in addition to this request for funding.

12 April 2022

	Applicant	Funds requested for...	Deliberation
1*	Graeme Dingle Foundation Waikato	Kiwi Can: Building wellbeing and resilience in our tamariki through weekly values-based lessons.	The group supported this application acknowledging that this has proven to be successful in helping build students' confidence and teaches them life skills, particularly in the low decile schools.
2	Lake Maraetai Community Association	Support our Charity event whereby all proceeds go back to the community Mangakino Lake Hop	The group supported this event but expressed concerns with regards to the incomplete information in the application, and the lack of sustainability of this event. It was suggested that the Association could allocate some of their proceeds to funding for the following year. They should also be encouraged to invest in future planning and ensure their founding document does not require them to distribute all funds annually. The group acknowledged that this event was great for the community and put Mangakino on the map.
3	Lakeland Powerboat Club	Costs to run a powerboat regatta 23-24 April 2022 at Lake Maraetai Mangakino	The group supported this event but would like the Lakeland Powerboat Club to engage more with the community in terms of advertising and to build this into a bigger event to benefit the broader community. They would like schools and community organisations to be included by being given the opportunity to fundraise and work collaboratively.
4*	Mangakino Central Charitable Trust	This and That Community Resale Shop.	The group expressed concern in supporting a commercial venture and setting a precedent for the other existing charity shops in Mangakino. However, they preferred a shop selling goods to an empty shop not achieving anything.
5*	Mangakino District services and citizens club	A new Blue Steel Charrill Bench top for our Facilities/Kitchen	The group supported this application because the club is showing continuous improvement and benefiting the community. With the new footpath going past the Kohanga Reo, a lot more people are attending the club.
6	Mangakino Orangatanga	Manaaki Kai for Kaumatua - Covid Welfare Support - Whānau Care Packs	The group supported this initiative and the community collaboration already achieved in terms of providing kai for the kaumatua. They supported funding for both kai and the small vegetable gardens for kaumatua because it facilitates social connection. It was acknowledged that support for whānau via the Ministry of Social Development is now difficult to access. The Chair confirmed she will seek information regarding funding for COVID-19 from the Lakes DHB.
7	Mangakino Rugby League Club	First aid and strapping for the season, balls for the	The group supported this but expressed that the club should also apply for a

	Incorporated	senior men's teams and supply each child with a mouthguard	community sports grant. The Community Engagement Advisor agreed to contact them to advise they do this for the shortfall in funding.
8	Marotiri Community Hall Trust	Replacement of the insufficient/faulty heat/smoke detection system in the Marotiri Community Hall roof.	The group supported this application and acknowledged the importance of this hall to the community and the impact it would have if not maintained safely.
9*	Thrive Whakapuawai	Volunteers programme - resources, management, professional development and fieldwork	This application did not meet the criteria because it is based in Taupō and would not benefit the Mangakino-Pouakani Ward.
10*	Whakamaru School	Whakamaru School Year 7 and 8 Wellington Trip	The group supported this application.

MP202204/04 RESOLUTION

Moved: Cr Yvonne Westerman

Seconded: Mr Mark Seymour

That the Mangakino/Pouakani Representative Group approves/declines the following applications for the 2021/22 financial year:

1. *\$1,000 Graeme Dingle Foundation Waikato
2. \$1,000 Lake Maraetai Community Association
3. \$500 Lakeland Powerboat Club
4. *\$500 Mangakino Central Charitable Trust
5. *\$500 Mangakino District services and citizens club
6. \$3,500 Mangakino Orangatanga
7. \$1,000 Mangakino Rugby League Club Incorporated
8. \$1,500 Marotiri Community Hall Trust
9. *\$0 Thrive Whakapuawai
10. *\$3,000 Whakamaru School

Cr Yvonne Westerman left the meeting at this point (11.20am).

4.3 CURRENT ACTION POINTS UPDATE

A member confirmed that they were waiting for a report from the builder regarding the Te Awhina hall. Any funding left over from the current Kohanga restructuring at the marae will go towards Te Awhina.

The Parks and Reserves Manager advised that he hopes to have a draft report for consultation ready for the next meeting regarding the Mangakino lakefront toilet. Considerations for the draft report included concession sites, on reserves, for lease, time bound, mobile operators, and conditions around these.

Page 4

Mangakino/Pouakani Representative Group Meeting Minutes

12 April 2022

The group agreed to remove the Lakefront management agreement from the action sheet because Mercury were not in favour of it and it would require consent. The existing assets were deemed sufficient and if Council were to build a new boat ramp upstream of Matakuri island in future, it would be a new asset on Mercury land requiring approval.

Work at the Mangakino sports hub has been progressing and Council staff were in contact with the Hawks.

Council staff were continuing to follow up with Waka Kotahi regarding the removal of the metal dump site.

The group agreed to remove the Whakamaru dam side footpath from the action sheet because there was nothing further to be done.

An environmental report was prepared by a Department of Conservation off-duty biologist for the Pouakani Totara tree. The report suggested pest control measures, vegetation maintenance and where structures should go around the tree. These have been shared with the Wairarapa Moana Incorporation and Trust. Later in the year track work and board walks will be added, the next stage is to work back further in the site.

MP202204/05 RESOLUTION

Moved: Cr Kirsty Trueman

Seconded: Mr Mark Seymour

That the Mangakino/Pouakani Representative Group receives the current action points update.

CARRIED**4.4 ELECTRIC VEHICLE CHARGING FACILITY- SH30 WHAKAMARU**

The group approved and expressed desire for another Electric Vehicle Charging Facility in Mangakino. The General Manager Operations and Delivery advised that Council would inform the Lines Company that the group would welcome another application.

MP202204/06 RESOLUTION

Moved: Mr Mark Seymour

Seconded: Mr Whitu Karauna

That the Mangakino/Pouakani Representative Group grants approval to issue a licence to occupy to The Lines Company for the purpose of constructing a two-bay charging facility for electric vehicles in Whakamaru.

CARRIED**4.5 ANNUAL PLAN SUBMISSION**

The Community Engagement Advisor shared an initial draft submission with the group and advised she could add their desire for funding for roading improvements from central government. She agreed to circulate the amended submission to the group and reminded them that submissions closed the following Thursday.

MP202204/07 RESOLUTION

Moved: Mr Mark Seymour

Seconded: Miss Memory Te Whaiti

1. That the Mangakino/Pouakani Representative Group makes a submission on Taupō District Council's Annual Plan.
2. That the Mangakino/Pouakani Representative Group delegates authority to its Deputy Chairperson to sign the final submission and lodge it prior to close of submissions.

4.6 DRAFT SPEED MANAGEMENT PLAN - CONSULTATION

The group agreed their preference for a workshop to draft a group submission and that they would also submit individually. They supported the rural schools speed limit reductions.

The following themes were discussed by members:

- Do not support changes to the Poihipi Road speed limits because it makes Mangakino even further away from Taupō in terms of accessing emergency services, assistance for stock, tradespeople, attracting staff, impacts on families.
- Support the reduction of the speed limit on Tirohanga Road around the school and school community hall.

Mrs Lisa de Thierry left the meeting at this point (11.40am).

The Senior Transportation Engineer clarified that the speed reduction on Poihipi Road to 80km per hour matches speeds actually travelled by road users.

After discussion the group agreed they would write a letter to Waka Kotahi expressing disappointment at the lack of central government funding for rural roads and the withdrawal of funding for Poihipi and Tirohanga Roads.

MP202204/08 RESOLUTION

Moved: Mr Whitu Karauna

Seconded: Mr Mark Seymour

1. That the Mangakino/Pouakani Representative Group makes a submission on the draft Speed Management Plan which includes the following key points:
 - Approach to speed limits and the prioritisation
 - Speed limit changes around schools
 - Speed limit changes to the high risk rural roads
2. That the Mangakino/Pouakani Representative Group delegates authority to its Deputy Chairperson to sign the final submission and lodge it prior to close of submissions.

4.7 COMMUNITY ENGAGEMENT UPDATE FOR MANGAKINO/POUAKANI

The Community Engagement and Development Manager advised the group that a new approach to engagement is being trialled, utilising existing community gatherings rather than inviting communities to drop in sessions that may not suit timing-wise. They were interested in talking to as many community members as possible, supporting council consultation, and looking at partnership opportunities.

The group supported this and advised they would like more support and engagement with the smaller communities such as Ātiamuri. The Community Engagement and Development Manager asked for contact details of someone in Ātiamuri.

MP202204/09 RESOLUTION

Moved: Cr Kirsty Trueman

Seconded: Miss Memory Te Whaiti

That the Mangakino/Pouakani Representative Group receives the report from the Community Engagement and Development Manager.

Moved: Mr Whitu Karauna

Seconded: Cr Kirsty Trueman

That the Mangakino/Pouakani Representative Group receives the report from the Mangakino Community Coordinator.

CARRIED**4.9 COMMUNITY ISSUES**

The Chair signalled to the group that a mower may be needed for the Mangakino Golf Club.

There was discussion regarding Māori and hapū representation for the Mangakino-Pouakani Ward going forward in light of Council's representation arrangements for the forthcoming elections.

The Community Engagement and Development Manager advised that Council colleagues will assist with structure and recording feedback regarding Māori and whānau representation. The group expressed their desire to be part of this process to better understand how this will be more inclusive and work for all in the future.

A member raised the issue of the unmanned Gull Ātiamuri service station on State Highway 1 in the South Waikato district. There has been one serious accident and there are not good safety and maintenance practices in place. There is often a pump not working so people have to drive back around onto State Highway 1. The General Manager Operations and Delivery advised that Council could discuss this with Waka Kotahi. In addition, the group agreed to send a letter to Gull raising the safety concerns and maintenance of the facility.

MP202204/11 RESOLUTION

Moved: Mr Mark Seymour

Seconded: Cr Kylie Leonard

That the Mangakino/Pouakani Representative Group writes a letter to Gull alerting that organisation to safety issues with the unmanned service station on State Highway 1 (Gull Ātiamuri).

CARRIED**MP202204/12 RESOLUTION**

Moved: Mr Whitu Karauna

Seconded: Miss Memory Te Whaiti

That the Mangakino/Pouakani Representative Group receives the information in relation to community issues.

CARRIED**4.10 MEMBERS' REPORTS**

The Chair updated the group about the Whakamaru water project consultation. Letters have gone out to all affected houses asking for their feedback and the Chair confirmed she will ensure people have received letters.

The group confirmed their preference for in person meetings going forward.
