What happened?

We were walking down Kiko road. We were in the middle of the second section up from their house. Between our house and theirs. They came running out of the bush by our house. We had maybe two seconds warning.

I was slightly ahead of [REDACTED] who had [REDACTED] on a lead and under control. as soon as I saw the dogs I ran back to [REDACTED] and [REDACTED] by that stage was trying to shield [REDACTED] from the dogs.

The dogs were growling as they were running, they seemed like they were up for a fight. They went straight for [REDACTED] the skinny one went for his midriff, the thicker one went for his head. [REDACTED] managed to bite the thicker one on the side of his rib cage.

I managed to kick the thicker one, it would of taken about 4 kicks and then I accidentally stood on his foot which made him scream and then he took off.

[REDACTED] was trying to turn [REDACTED] around to get him away from the other dog.

We were both yelling at the dogs to get off get off.

	<p>The thicker set dog ran home to its blanket and I was yelling at over the fence is anyone home is anyone home. but no one came out. The other dog ran off but unsure where too</p> <p>The gate is still open and dogs uncontained on their property.</p> <p>There were no other witnesses.</p>

How did the incident end?	The thicker set dog ran home to its blanket and I was yelling at over the fence is anyone home is anyone home. but no one came out. The other dog ran off but unsure where too
What did you do?	I managed to kick the thicker one, it would of taken about 4 kicks and then I accidentally stood on his foot which made him scream and then he took off. We were both yelling at the dogs to get off get off.
Describe how the dog was behaving:	They never stopped the aggressive behaviour. It was only when I stood on the thicker dogs foot that they ran off. Even when running off they still seemed aggressive.

Where were you when the incident happened?

We were on Kiko road. We always have [REDACTED] on his lead as there are lots of cars that go up and down this road. It is not an extendable lead, maybe 1m long. Black. He was slightly ahead of me to the right.

We were on the opposite side of the road to the properties.

Me and [REDACTED] were just before we got to their property, [REDACTED] was ahead of us

The dogs came from the direction of their property. I am not sure if they were on the property or not but they came diagonally at us from this property. Half an hour before when we walked past the gate was shut and they barked at us but were unable to get out

Where (walking on lead next to me, running in exercise area etc.) was your animal?

The dogs were running and barking, they were coming straight at [REDACTED] They were not coming at us in a friendly way they were coming in to attack. I had [REDACTED] on the lead quite tight, I pulled him tighter, he stood upright and started barking at them and pulled towards them but

because I had him so tight he couldn't towards them.

It was too quick for me to notice if they had teeth bared or heckles up.

The first dog went to the right of me and [REDACTED] and immediately tried to climb on his midriff and tried to bite him [REDACTED] spun around and managed to bite him

The second one came up and tried to bite his neck, [REDACTED] came up and kicked at them,

One of the dogs let go and ran off into its gate

I was more focused on the dog coming at us and couldn't tell you which dog was in which position.

[REDACTED] yelled over the fence to see if anyone was home but no one answered.

The other one ran down past the property. We had a little look for the other dog it was down near our property then ran off into motuapa and I presume back into its property.

SUMMARY OF RIGHTS

INFORMATION ABOUT DOG CONTROL ACT 1996 INFRINGEMENT OFFENCES

NOTE: If, after reading these notes, you do not understand anything in the notes, you should consult a lawyer immediately.

1. This Notice sets out an alleged infringement offence. In terms of Section 2 of the Dog Control Act 1996, you are liable as the owner of a dog if:
 - * you own the dog; or
 - * you have the dog in your possession (otherwise than for a period not exceeding 72 hours for the purpose of preventing the dog causing injury, or damage, or distress, or for the sole purpose of restoring a lost dog to its owner); or
 - * you are the parent or guardian of a person under 16 who is the owner of the dog and who is a member of your household living with and dependent on you.

PAYMENTS

2. If you pay the infringement fee within 28 days of the issue of this notice, no further action will be taken. Payment may be made at places indicated on the front of this notice.

DEFENCES

3. You have a complete defence against proceedings if the infringement fee was paid to the territorial authority at any of the places for payment shown on the front page of this notice before or within 28 days after you were served with a reminder notice. Note that late payment or payment at any other place will not be a defence.

FURTHER ACTION

4. If you wish to:
 - (a) raise any matter relating to the alleged offence for consideration by the territorial authority; or
 - (b) deny liability for the offence and request a court hearing (refer to paragraphs 5 and 9 below); or
 - (c) admit liability for the offence, but wish to have a court consider written submissions as to penalty or otherwise (refer to paragraphs 6 and 9 below), -
 you should write to the territorial authority at the address shown on the front page of this notice. Any such letter should be personally signed.
5. You have a right to a Court hearing. If you deny liability for the offence and request a hearing, the informant will serve you with a notice of hearing setting out the place and time at which the matter will be heard by the Court (unless it decides not to start Court proceedings).
NOTE that if the Court finds you guilty of the offence, costs will be imposed in addition to any penalty.
6. If you admit the offence but want the court to consider your submissions as to penalty or otherwise, you should in your letter-
 - (a) ask for a hearing; and
 - (b) admit the offence; and
 - (c) set out the written submissions you wish to be considered by the Court.
 The territorial authority will then file your letter with the Court (unless it decides not to commence Court proceedings). There is no provision for an oral hearing before the Court if you follow this course of action.
NOTE that costs will be imposed in addition to any penalty.

NON-PAYMENT OF FEE

7. If you do not pay the infringement fee and do not request a hearing within 28 days after the issue of this notice, you will be served with a reminder notice (unless the territorial authority decides otherwise).
8. If you do not pay the infringement fee and do not request a hearing within 28 days after being served with the reminder notice, the territorial authority may file the reminder notice in the Court and you will become liable to pay **costs in addition to the infringement fee** under Section 21(5) of the Summary Proceedings Act 1957.

QUERIES/CORRESPONDENCE

9. When writing or making payment please include:
 - (a) The date of the infringement; and
 - (b) The infringement notice number; and
 - (c) The identifying number of the alleged offence and the course of action you are taking in respect of it; and
 - (d) Your address for replies.

NOTICE OF LIABILITY FOR CLASSIFICATION AS A PROBATIONARY OWNER OR A DISQUALIFIED OWNER

If you commit 3 or more infringement offences (not relating to a single incident or occasion) over a period of 24 months, the territorial authority may classify you as-

- * a probationary owner; or
- * a disqualified owner.

You will be treated as having committed an infringement offence if you-

- * have been ordered to pay a fine and costs under Section 78A(1) of the Summary Proceedings Act 1957, or are treated as having been so ordered under Section 21(5) of that Act; or
- * pay the infringement fee specified in the infringement notice.

Probationary ownership starts from the date of the third infringement offence in the 24 month period. Unless terminated earlier by the territorial authority, probationary ownership runs for a period of 24 months.

Disqualification as a dog owner starts from the date of the third infringement offence in the 24 month period. The length of disqualification is determined by the territorial authority but may be no longer than 5 years.

CONSEQUENCES OF CLASSIFICATION AS A PROBATIONARY OWNER OR DISQUALIFIED OWNER

During the period a dog owner is classified as a probationary owner, the person-

- * must not be or become the registered owner of any dog except a dog that the person was the registered owner of at the time of the third infringement offence; and
- * must dispose of every unregistered dog the person owns.

During the period that a person is classified as a disqualified owner, the person-

- * must not own or become the owner of any dog; and
- * must dispose of all dogs the person owns; and
- * may have possession of a dog only for certain purposes (eg, returning a lost dog to the territorial authority).

A person may object to being classified as a probationary or disqualified owner by lodging a written objection with the territorial authority. There is a further right of appeal to a District Court, if a disqualified person is dissatisfied with the decision of the territorial authority on his or her objection.

Full details of classification as a probationary owner or a disqualified owner, and the effects of those classifications, are provided in the Dog Control Act 1996.

FULL DETAILS OF YOUR RIGHTS AND OBLIGATIONS ARE IN SECTION 66 OF THE DOG CONTROL ACT 1996 AND SECTION 21(10) OF THE SUMMARY PROCEEDINGS ACT 1957.

NOTE: ALL PAYMENTS, ALL QUERIES, AND ALL CORRESPONDENCE REGARDING THIS INFRINGEMENT MUST BE DIRECTED TO THE INFORMANT AT THE ADDRESS SHOWN.

SUMMARY OF RIGHTS

INFORMATION ABOUT DOG CONTROL ACT 1996 INFRINGEMENT OFFENCES

NOTE: If, after reading these notes, you do not understand anything in the notes, you should consult a lawyer immediately.

1. This Notice sets out an alleged infringement offence. In terms of Section 2 of the Dog Control Act 1996, you are liable as the owner of a dog if:
 - * you own the dog; or
 - * you have the dog in your possession (otherwise than for a period not exceeding 72 hours for the purpose of preventing the dog causing injury, or damage, or distress, or for the sole purpose of restoring a lost dog to its owner); or
 - * you are the parent or guardian of a person under 16 who is the owner of the dog and who is a member of your household living with and dependent on you.

PAYMENTS

2. If you pay the infringement fee within 28 days of the issue of this notice, no further action will be taken. Payment may be made at places indicated on the front of this notice.

DEFENCES

3. You have a complete defence against proceedings if the infringement fee was paid to the territorial authority at any of the places for payment shown on the front page of this notice before or within 28 days after you were served with a reminder notice. Note that late payment or payment at any other place will not be a defence.

FURTHER ACTION

4. If you wish to:
 - (a) raise any matter relating to the alleged offence for consideration by the territorial authority; or
 - (b) deny liability for the offence and request a court hearing (refer to paragraphs 5 and 9 below); or
 - (c) admit liability for the offence, but wish to have a court consider written submissions as to penalty or otherwise (refer to paragraphs 6 and 9 below), -
 you should write to the territorial authority at the address shown on the front page of this notice. Any such letter should be personally signed.
5. You have a right to a Court hearing. If you deny liability for the offence and request a hearing, the informant will serve you with a notice of hearing setting out the place and time at which the matter will be heard by the Court (unless it decides not to start Court proceedings).
NOTE that if the Court finds you guilty of the offence, costs will be imposed in addition to any penalty.
6. If you admit the offence but want the court to consider your submissions as to penalty or otherwise, you should in your letter-
 - (a) ask for a hearing; and
 - (b) admit the offence; and
 - (c) set out the written submissions you wish to be considered by the Court.
 The territorial authority will then file your letter with the Court (unless it decides not to commence Court proceedings). There is no provision for an oral hearing before the Court if you follow this course of action.
NOTE that costs will be imposed in addition to any penalty.

NON-PAYMENT OF FEE

7. If you do not pay the infringement fee and do not request a hearing within 28 days after the issue of this notice, you will be served with a reminder notice (unless the territorial authority decides otherwise).
8. If you do not pay the infringement fee and do not request a hearing within 28 days after being served with the reminder notice, the territorial authority may file the reminder notice in the Court and you will become liable to pay **costs in addition to the infringement fee** under Section 21(5) of the Summary Proceedings Act 1957.

QUERIES/CORRESPONDENCE

9. When writing or making payment please include:
 - (a) The date of the infringement; and
 - (b) The infringement notice number; and
 - (c) The identifying number of the alleged offence and the course of action you are taking in respect of it; and
 - (d) Your address for replies.

NOTICE OF LIABILITY FOR CLASSIFICATION AS A PROBATIONARY OWNER OR A DISQUALIFIED OWNER

If you commit 3 or more infringement offences (not relating to a single incident or occasion) over a period of 24 months, the territorial authority may classify you as-

- * a probationary owner; or
- * a disqualified owner.

You will be treated as having committed an infringement offence if you-

- * have been ordered to pay a fine and costs under Section 78A(1) of the Summary Proceedings Act 1957, or are treated as having been so ordered under Section 21(5) of that Act; or
- * pay the infringement fee specified in the infringement notice.

Probationary ownership starts from the date of the third infringement offence in the 24 month period. Unless terminated earlier by the territorial authority, probationary ownership runs for a period of 24 months.

Disqualification as a dog owner starts from the date of the third infringement offence in the 24 month period. The length of disqualification is determined by the territorial authority but may be no longer than 5 years.

CONSEQUENCES OF CLASSIFICATION AS A PROBATIONARY OWNER OR DISQUALIFIED OWNER

During the period a dog owner is classified as a probationary owner, the person-

- * must not be or become the registered owner of any dog except a dog that the person was the registered owner of at the time of the third infringement offence; and
- * must dispose of every unregistered dog the person owns.

During the period that a person is classified as a disqualified owner, the person-

- * must not own or become the owner of any dog; and
- * must dispose of all dogs the person owns; and
- * may have possession of a dog only for certain purposes (eg, returning a lost dog to the territorial authority).

A person may object to being classified as a probationary or disqualified owner by lodging a written objection with the territorial authority. There is a further right of appeal to a District Court, if a disqualified person is dissatisfied with the decision of the territorial authority on his or her objection.

Full details of classification as a probationary owner or a disqualified owner, and the effects of those classifications, are provided in the Dog Control Act 1996.

FULL DETAILS OF YOUR RIGHTS AND OBLIGATIONS ARE IN SECTION 66 OF THE DOG CONTROL ACT 1996 AND SECTION 21(10) OF THE SUMMARY PROCEEDINGS ACT 1957.

NOTE: ALL PAYMENTS, ALL QUERIES, AND ALL CORRESPONDENCE REGARDING THIS INFRINGEMENT MUST BE DIRECTED TO THE INFORMANT AT THE ADDRESS SHOWN.

Subject: Right of objection to classification under section 33A

I am writing to object to the classification of menacing dog for both Billy and Beezee.

Both of these dogs get on with other dogs. Our friends bring their dogs to our house all the time and there are never any issues. They are not a threat to people and are trusted around kids. We own chickens and they have never harmed or injured them.

The only issue we have had is when one of our neighbors walks his dogs up kiko rd not on leads. They run to our fence aggressively and intimidate our dogs.

Our dogs are normally well behaved dogs. We have lived here for 5 years and never had issues with beezee. Billy is a young dog in training but is certainly not aggressive. I feel that some person is just picking on us and telling lies because they do not like our dogs.

Regards
Lesley Purdon.

NOTE: If, after reading these notes, you do not understand anything in the notes, you should consult a lawyer immediately.

1. This Notice sets out an alleged infringement offence. In terms of Section 2 of the Dog Control Act 1996, you are liable as the owner of a dog if:
 - * you own the dog; or
 - * you have the dog in your possession (otherwise than for a period not exceeding 72 hours for the purpose of preventing the dog causing injury, or damage, or distress, or for the sole purpose of restoring a lost dog to its owner); or
 - * you are the parent or guardian of a person under 16 who is the owner of the dog and who is a member of your household living with and dependent on you.

PAYMENTS

2. If you pay the infringement fee within 28 days of the issue of this notice, no further action will be taken. Payment may be made at places indicated on the front of this notice.

DEFENCES

3. You have a complete defence against proceedings if the infringement fee was paid to the territorial authority at any of the places for payment shown on the front page of this notice before or within 28 days after you were served with a reminder notice. Note that late payment or payment at any other place will not be a defence.

FURTHER ACTION

4. If you wish to:
 - (a) raise any matter relating to the alleged offence for consideration by the territorial authority; or
 - (b) deny liability for the offence and request a court hearing (refer to paragraphs 5 and 9 below); or
 - (c) admit liability for the offence, but wish to have a court consider written submissions as to penalty or otherwise (refer to paragraphs 6 and 9 below), -
 you should write to the territorial authority at the address shown on the front page of this notice. Any such letter should be personally signed.
5. You have a right to a Court hearing. If you deny liability for the offence and request a hearing, the informant will serve you with a notice of hearing setting out the place and time at which the matter will be heard by the Court (unless it decides not to start Court proceedings).
NOTE that if the Court finds you guilty of the offence, costs will be imposed in addition to any penalty.
6. If you admit the offence but want the court to consider your submissions as to penalty or otherwise, you should in your letter-
 - (a) ask for a hearing; and
 - (b) admit the offence; and
 - (c) set out the written submissions you wish to be considered by the Court.
 The territorial authority will then file your letter with the Court (unless it decides not to commence Court proceedings). There is no provision for an oral hearing before the Court if you follow this course of action.
NOTE that costs will be imposed in addition to any penalty.

NON-PAYMENT OF FEE

7. If you do not pay the infringement fee and do not request a hearing within 28 days after the issue of this notice, you will be served with a reminder notice (unless the territorial authority decides otherwise).
8. If you do not pay the infringement fee and do not request a hearing within 28 days after being served with the reminder notice, the territorial authority may file the reminder notice in the Court and you will become liable to pay **costs in addition to the infringement fee** under Section 21(5) of the Summary Proceedings Act 1957.

NOTICE OF LIABILITY FOR CLASSIFICATION AS A PROBATIONARY OWNER OR A DISQUALIFIED OWNER

If you commit 3 or more infringement offences (not relating to a single incident or occasion) over a period of 24 months, the territorial authority may classify you as-

- * a probationary owner; or
- * a disqualified owner.

You will be treated as having committed an infringement offence if you-

- * have been ordered to pay a fine and costs under Section 78A(1) of the Summary Proceedings Act 1957, or are treated as having been so ordered under Section 21(5) of that Act; or
- * pay the infringement fee specified in the infringement notice.

Probationary ownership starts from the date of the third infringement offence in the 24 month period. Unless terminated earlier by the territorial authority, probationary ownership runs for a period of 24 months.

Disqualification as a dog owner starts from the date of the third infringement offence in the 24 month period. The length of disqualification is determined by the territorial authority but may be no longer than 5 years.

CONSEQUENCES OF CLASSIFICATION AS A PROBATIONARY OWNER OR DISQUALIFIED OWNER

During the period a dog owner is classified as a probationary owner, the person-

- * must not be or become the registered owner of any dog except a dog that the person was the registered owner of at the time of the third infringement offence; and
- * must dispose of every unregistered dog the person owns.

During the period that a person is classified as a disqualified owner, the person-

- * must not own or become the owner of any dog; and
- * must dispose of all dogs the person owns; and
- * may have possession of a dog only for certain purposes (eg, returning a lost dog to the territorial authority).

A person may object to being classified as a probationary or disqualified owner by lodging a written objection with the territorial authority. There is a further right of appeal to a District Court, if a disqualified person is dissatisfied with the decision of the territorial authority on his or her objection.

Full details of classification as a probationary owner or a disqualified owner, and the effects of those classifications, are provided in the Dog Control Act 1996.

FULL DETAILS OF YOUR RIGHTS AND OBLIGATIONS ARE IN SECTION 66 OF THE DOG CONTROL ACT 1996 AND SECTION 21(10) OF THE SUMMARY PROCEEDINGS ACT 1957.
